“Winner, Winner, Chicken Dinner”

“Jerusalem, Jerusalem, the city that kills the prophets and stones those who are sent to it! How often have I desired to gather your children together as a hen gathers her brood under her wings, and you were not willing!” Luke 13:34

While in the Boundary Waters Canoe Area this summer I went deep into the woods with my folding saw to cut some branches for firewood. Suddenly, I was attacked by a wild animal. Don't worry. It wasn't a bear or a wolf or even a deer tick (although one of those nasty bloodsuckers did get my wife somewhere this summer). I was attacked *by a wild chicken*. To be more specific, it was a ruffed grouse. I didn't know that at the time. To me the grouse looked like a puny but colorful chicken. I had startled the bird and now she wanted to fight me. It didn't matter that I was so much bigger and holding a ten-inch serrated blade. This ruffed grouse puffed up her breast and stuck out her tail feathers so that I would pay attention only to her. Suddenly I understood why they fight chickens in Mexico. There is nothing cowardly about a chicken.

I was hungry, so I have to admit that I gave serious thought to taking a swipe at the bird. I've never had fresh chicken dinner in the wilderness before. Then I heard the peeping. Perhaps a dozen yellow fluff balls emerged from the brambles to climb up a steep embankment. Twelve tiny grouse chicks were making a getaway, and the mama bird was protecting their escape. Slowly she backed away, acting as a rearguard for her babies. She wasn't fighting to win. The grouse was offering up her life so that her babies might live.

Suddenly Jesus' parable of the mother hen made complete sense to me. Jesus wanted to tenderly gather up the inhabitants of Jerusalem the way a mother hen gathers her chicks, but the big city “kills the prophets and stones those who are sent to it.” The only way that Jesus was going to protect his beloved children was to lay down his life. He stuck out his chest and offered his life up to the big, bad authorities with their stubby Roman swords. Jesus served himself up like chicken dinner so that all who believe in him might have life and life eternal. The only way we were ever going to grasp that God truly loves us is if we accept that God himself was willing to die on our behalf like a grouse on a spit.

We are not saved by savage claw or sharp beak but the surrender of Jesus to brutal authorities. Winner, winner, chicken dinner! Jesus overcame the world by turning the other cheek, walking the extra mile, blessing the peacemakers, gathering up people the way a hen gathers her chicks and submitting to the pain and indignity of the cross. There's nothing chicken about sacrificial love. If we are willing, Jesus will gather us up in his costly love and save us from violence, evil and death.

Adult Learning Opportunities Sunday Mornings at 9:30 a.m.

Each of our faith journeys is enhanced as we continue to read the Bible, learn and discuss together the scriptures, current issues and the work of the church. The Adult Commission is planning a varied program year for the adult Sunday School class which will give adults such opportunities. On the first Sunday, September 18, Pastor Ryan will begin with a discussion of metaphors for the church and will lead us to think about “What is the church?”. It will initiate our thinking about the church strategic plan and the work of the Vitality Team. On September 25 and October 1 the Vitality Team and Long Range Planning Commission will lead us in discussing two more questions: “Where are we as a church? and Where are we going? We hope the room will be overflowing with people ready to share their thoughts.

In the October STAR we will write more detail about the plans through the end of the year. Let Adult Commission members know if you have suggestions for any adult study or social activities. We are looking for ideas for small or large group activities beyond Sunday School as well. Please help us out and join in the opportunities as they come along!

Members of the Adult Commission: Joanne, Hansen, Jim Johnson, Tim Lilla, Kirsten Ryding, Mary Ann Smith

In the final stages....

The collection of household goods for the benefit of the 245 immigrant families arriving this fall has been generously supported this summer by Bethlehem. The families will be arriving soon —

The list of needed items follows:

Pillows, towels, silverware, can openers, cleaning items, laundry detergent, toilet paper, shampoo, light bulbs, chef’s/kitchen knives, shower curtains with hooks, kitchen tables with chairs, dressers, beds, trash bins, brooms, spatulas/spoons, both twin and/or full bedding (comforters, flat and fitted sheets) bake ware, mixing/serving bowls and pots and pans.

The address to deliver larger items is near Franklin and Nicollet — not far from church. VITALITY TEAM REPORT #6

August 2011

The Veritas process (telling the truth about revitalization) at Bethlehem is nearly a year old. Like a newborn child, your Vitality Team has had to do a lot of crawling before we could walk or even consider running.

Our first exposure to Veritas was last September 25th when more than 60 people in our congregation came together to hear a presentation on the Veritas process which helps churches evaluate their typology into one of four types of congregations—Healthy Missional, Stable, Critical Moment and At Risk. During the discussion the group generally concluded that Bethlehem is a “stable” church. The Covenant denomination encourages all congregations to strive to be “Healthy Missional” churches. We at Bethlehem have been working with this goal in mind. Our growth in membership has been an encouraging indicator that we are moving in this direction.

Since early in January your Vitality Team has generally met the first and third Thursdays of each month to discuss the various stages in the Veritas process. The Veritas process is well documented by the Covenant Department of Church Growth and Evangelism. Mark Stromberg, recently elected Northwest Conference Superintendent, has been particularly supportive of Bethlehem’s involvement.

PULSE Survey. In May the congregation participated in a PULSE survey. The results will be available to the Vitality Team at their August 24th meeting. The analysis by the Covenant Department of Church Growth and Evangelism in Chicago will give us a sense of what the survey participants feel the church is doing well and where we should place more effort. You will hear more about this in the near future.

Consideration of a second worship service at Bethlehem. In the PULSE surveys that were sent in for evaluation was a question regarding the possibility of having a second worship service. Approximately 79% of those who responded to this question favored a second worship service while approximately 10.5% did not favor a second service and the remaining members had no opinion either way. We will use this information while developing a strategic plan for our church.

Bethlehem’s neighborhood demographics. Dick Sundberg and Pastor Ryan have defined two areas around Bethlehem that are considered Bethlehem’s community. By using software developed especially for church demographic studies we can compare various forecasts for population, age groups, racial/ethnic, school age, family income, and educational level trends.

September Adult Sunday School Presentations In Adult Sunday School during the month of September the Vitality Team will be presenting a rough draft of Bethlehem’s strategic plan which will be created on September 10th at a day-long workshop attended by church leadership: the Church Council, Long Range Planning Commission and Vitality Team. Copies of the rough draft will be available upon request. We will be looking for discussion and feedback to help develop Bethlehem’s strategic plan by year-end.

Pastor Ryan, Dick Sundberg, Alyssa Isaacs, Phil Swanson, Linda Solie, Charlotte Sjoberg, Bev Adamson, Matt Ridenour, and Lowery Smith (chair)

A Note From Duane Johnson

God's Goodness and provision have been mediated to me in many ways during these summer months. My aortic valve was replaced with a mechanical valve and two bypasses were installed. So many persons, each one a creation of God, have blessed me. A surgeon's knowledge, dexterity and compassion. A pastor's dependable care representing God's presence. A thoughtful and caring call from the oldest member of our congregation. Nurses, medical doctors, therapists, and other workers contribute to my care. Friends provide encouragement and support. Many persons have spoken to God on my behalf. Being surrounded by our people called Bethlehem in my journey and recovery. As an important part of God's creation, thank you for being part of God's grace extended to me.

Faith, Fun and Fellowship

WHAT: He will explain the importance of the "Automatic External Defibrillator" in case of a cardiac arrest—what it will and won't do—and give a brief update on CPR. There will also be a time for questions, *delicious pies* and wonderful fellowship!

WHEN: Monday, September 19th at 1:00 p.m.

WHERE: The Community Room (at Bethlehem)

Looking Ahead

WHEN: Monday, October 17th at 1:00 p.m.

It always amazes me how quickly the summer seems to go by. The children had many field trips around the community. We had weekly swim lessons at the YWCA, soccer lessons, a tour of King Tut at the Science Museum, visited Nature Parks, libraries, SeaLife and many outings to the local parks for dips in their wading pools and experiencing the variety of playground equipment they each offer. It seemed to be a nice mix of staying around the center and heading out for the day.

Each of the classrooms spent a lot of time at Cooper Park this summer since we had the playground at BCCC tied up with making improvements since mid-July. The gentlemen working on the playground started during some of the hottest days the summer offered and followed it with some of the wettest days. However, the playground is pretty much complete now and we are excited to be able to have our fall classes able to make use of the improvements. There are a few areas we still want to tweak; add a plant or two, some more mulch and the like, but other than that we are feeling good about the new plan.

We are back to a new school year. Our staff is excited to be planning with new curriculum that we were trained on in the spring. We have been meeting with families at open house, had some late summer tours and hosted two Cooper Park get-togethers with hopes of getting off to a great start with our families. This year we've filled almost all School Age and Beginner spots but do have some openings in our Pre-K classrooms so spread the word if you know of any 4 year olds looking for a great place to play and learn!

Thank you for your continued support. If you remember us in your prayers we'd ask you to pray for the staff, families, and children. Pray that our children's hearts would be open and curious about Jesus.
